

COVID -19  
STATEMENT FROM THE TYONS REGIONAL CHAMBER OF COMMERCE

March 13, 2020

Our top priority is the safety and health of our employees, volunteers, guests, vendors, and the local business and non-profit community in Tysons and abroad.

The Tysons Regional Chamber of Commerce's Executive Committee finalized a short-term action plan this week that will address logistics around our scheduled events, reducing the potential risk of exposure for our employees, members, and guests. We will be instituting a work from home policy for our Chamber staff and re-evaluating our ability to maintain our platforms of prosperity. We are currently working on processes equipped to provide continuity of networking opportunities that will enable our members to utilize virtual platforms in support of our mission...which is to help you grow your business.

An outline of this plan will be communicated at a later date, next week, and will provide more clarity on suspended events and adjusted chamber operations. Additionally, we will continue to monitor the COVID-19 situation very closely and provide updates as they arise.

This is a rapidly changing situation that requires all of us – government, business and individuals - to do our part. We are working with the Fairfax County Health Department to make sure we are sharing information from trusted, credible sources. For the latest updates, you can do the following:

- Visit the county's website, [www.fairfaxcounty.gov/health/novel-coronavirus](http://www.fairfaxcounty.gov/health/novel-coronavirus).
- Call 703-267-3511 with questions. The call center is open from 9:30 a.m. until 9:00 p.m. weekdays and 9:30 a.m. to 5 p.m. weekends.
- Text FFXCOVID to 888777 for updates from Fairfax County about COVID-19.

Should you have any questions regarding your Chamber's operations between now and the end of next week, please email [info@tysonschamber.org](mailto:info@tysonschamber.org).

Very Respectfully,

Tucker R. Gladhill  
President & Chairman of the Board  
Tysons Regional Chamber of Commerce
